**CRITERION I – CURRICULAR ASPECTS**

## 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Yes the institution has the mechanism for well planned curriculum delivery and documentation. Our Institution has a mechanism for well planned curriculum delivery and documentation. Apart from the traditional teaching learning methods of white board and lecturing method, our college lays great emphasis on curriculum delivery through practical learning. An academic calendar is prepared in advance and published in the college prospectus. Our College invites various Educational experts to deliver guest lectures in their respective field. This enables the students to get an insight into the real teaching world. The students are encouraged to undertake various mini projects and internships to supplement learning. The students are encouraged to research on topics within the curriculum as well as on cross cutting issues and present research papers or presentations with recommendations to solutions. Critical thinking is encouraged through various debates, role playing and class discussions. The curriculum is enhanced through conduct of projects and field trips giving insights beyond the syllabus. The college arranges an array of co-curricular activities to enrich the curriculum. All classrooms are ICT enabled teaching learning facilities are provided. The campus is WiFi enabled. This provides for interactive classroom learning. The college also has a well established library and subscribes to numerous journals so that both students and Professors can keep abreast of changing trends in their respective subjects. We also subscribe to E-journals. A record of the students using the numerous library facilities is maintained by the Librarian. To ensure effective curriculum delivery, every faculty member must submit a syllabus teaching plan to the Principal at the beginning of each semester. The Principal conducts regular meetings with all faculty members to ensure that the plans are being implemented. Regular interaction with Student Council members of every class with the Principal ensures that lecturers complete their portion in time and effectively. The responses gathered from the students feedback helps to identify the areas of improvement in curriculum delivery and evaluation methods. The Coordinators of the first year and second year student teachers take regular feedback regarding the various teaching learning process and accordingly incorporate changes. The progress of the students is maintained through regular tests, presentations and semester end exams. Remedial classes, bridge courses and refreshment programmes are conducted for the weaker students. The college also focuses on providing various value oriented education to the students to enhance the overall development of the students.

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>Feedback is obtained at the end of the year from the Pre-service teachers. In the feedback form, the Pre-service teachers give their feedback on the course and the faculty. Each faculty is then given their feedback results and as and when required, the Head of the institution may call upon concerned faculties and try to resolve the issues if any. The main objective of seeking students' feedback on teaching at the Institute is to assist faculty members in monitoring and improving their effectiveness as teachers. The information is used as one of the means for assessing teaching effectiveness for decisions regarding merit, tenure and promotion, and to provide information that may be used to support exceptional teachers nominated for teaching awards. There are regular class visits for observing the overall delivery of lectures in</p>

classroom. The meeting was conducted to discuss the outcomes of the visit as well as to plan for the improvement. The concerned faculty is required to work on the suggestions. Feedback is obtained from teachers in an unstructured manner via the Academic Area meetings held by Head of the institution and during the faculty meetings as well. Also meetings are held for faculties teaching in a specific area and discipline issues or infrastructural issues faced by them are also discussed in that forum and efforts are made to resolve them. Alumni give their feedback when they visit the Institute on various occasions like Institute Seminar Series, Alumni Day and Alumni Conclave. The suggestions of the parents have been taken into account and many of them have been implemented and included in the curriculum, many other companies are being invited for the campus placements and even expert lectures are being organized on time management, leadership skills, entrepreneurship etc. for their overall development. On the basis of feedback from stakeholders, varied actions are taken by the constituent institutes. Methodologies:

- Feedback on curriculum is collected from students by circulating the Feedback Forms.
- Feedback is collected from parents when they come for Open House meetings.
- Alumni Feedback is collected during alumni meetings
- Employer Feedback is collected in person.
- The teachers or peers also give feedback.
- To make curriculum more effective various enrichment programmes were conducted.
- More activities planned for better results and holistic development.
