everything is fine

No suggestion.

No suggestion

Ss

Steps can be taken for language proficiency

No comments

Improving career oriented skills

This institution is providing the best education.

This institution is providing best education.

To decrease fees

By giving gud teaching

Every thing is ok.

Developing oriented skills

No suggestion

Conduct various programs

Giving Good teaching and improving their skills

Everything is good.

Good teaching

To develop their skills

Conduct more programs for the welfare of the student teacher

Training the students as best future teachers

No need

Give more education to the students

By Encouraging and helping them in education

Help them in their studies

Make available some foods in canteen. Increased break time can be given for consuming food. Toilet facilities are bad Need proper dustbin for throwing sanitary napkins.

Can increase break time for consuming food.

Make available foods in canteen. Increase Break time for consuming food.

To make the students in some activities

Good institution
