The environment of the college is congenial for the Pre-Service teacher to discuss their problems

 Copy

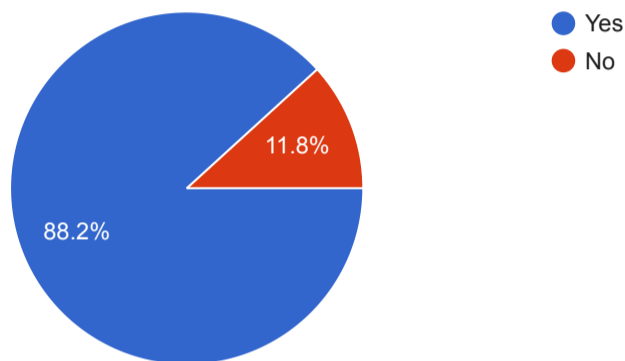

85 responses

The authorities are easily approachable regarding any queries?

 Copy

85 responses

Any specific reason for selecting the Institution for your ward?

85 responses

No

Discipline

Good college

Well disciplined College

Good coaching

Standard of education is good

Good teaching

.

Quality education

Super

One of the top college.

The discipline of the college

Quality education and standard college

Level of education is excellent

Very good education

All the activities done in the college was very perfect and satisfied. The teaching facilities and their teaching was good. The teachers was very strict to the students and that was very impressive to me.

There was an good coaching giving for the students

My Sister studied in this college, she gave the positive opinion regarding this college activities and its mentors.

For good coaching

It is near by our home and qualified college

There is no specific reason.

For selecting this college for the university rank holding

For selecting this college for the university rank holders

For University rank holding

I hear good response from others about the institution.

Nothing

Good college

Personalized training period through integral pedagogy and mentoring.

Good facilities

For selecting this college for the university rank holding.

Good teaching and various extra curricular activities that helps me to develop my talents

Because this institution is known for best in teaching practices for the pre service teachers.

We hear it is the best institution.so, we choose this institution.

it develop our skills

My daughter select this college as per her own wish -i have no further reason

Strict and disciplined institution

Best institution and easy to reach

for getting more teaching knowledges

Good teaching practice

Quality education, good environment

Providing better career opportunities and boosting the self esteem

There is no specific reason

No specific reason

Good discipline is maintained

The college is neraby to our house and it is a good college

Transport convenience

One of my relative said that, if I studied there, I will become a talented person

Good coaching

Near to our house

Good training provided

The institution providing me with lots of helps and it is benifit for my career.

The institution is providing me with lots of helps and it is benifit for my career.

Because of good feedback from outside

Disciplined institution

Good education

Nothing

No

It has a good feedback from previous batch students

By studying this institution I will be able to attain a job

Best institution

-

Good education and good students-teachers relationship

No suggestions

## Suggestion as to how this institution can help its students even more?

85 responses

No

No suggestions

Yes

No suggestions

-

.

.

Activities

Yes

Become Brave

Please provide trash can in every class..... Thank you

It is eco friendly

My daughter was improved in doing works like chart writing, drawing, computerized works etc. she was enjoying for doing the works. At the joining time she was not satisfied with the college, but now she was very satisfied with the college and enjoying in studying and doing works.

Learn more general knowledge

Understand the students

Canteen facility should be implemented.

To improve skills.....

No.

No suggestions

Making good learning environment

Can change the time schedule and the class can be started from 10 to 4.

Giving more confidence, communication skill is developed

Teaching more

Communication skill is developed

Giving more confidence

Make the Students to develop more skills which was hidden in them.

In this institution is perfect & Excellent.

All are good

Nothing , everything is good in this institution.

Training

Giving more confidence, communication skills is developed.

No Suggestions . Its already beyond my expectations

everything is good

Nil

No suggestion

no need to improve

In this model exam there was less amount of time is provided, for studying

Speaking in English should be promoted

To develop the skills of the students.

Basic art and craft class

Good

Good

Nothing

This institution helps my daughter to be bold

Every thing is best for me

Give some freedom to them.

So for the facilities provided for my ward is satisfactory.

So far the overall necessities provided by the institution is very satisfactory.

Field visits

no comment

Students study and work

opportunities to learn other things

In this institution is perfect and excellent

Its the best environment for B.Ed course

Everything was good

No idea

Avoid treating student-teachers as a LKG student.

Its better to reduce unnecessary work load and give priority for University Exams.

Its better to teach the difficult Courses rather than preferring Seminar on that courses.
