Useful program

Excellent 🙌

Orientation classes are very useful to us.
really it is necessary for all freshers.
I hope after I finishing this b.ed course I will be a good teacher only because of CCE.....thank you.

I'm afraid of talking infront of many peoples because of my poor communication skills and lack of knowledge. This life skill program and tet program really helped me to develop my confidence. Now also I'm not much confident to talk English But I will try my best to improve my communication skills as well as my knowledge.

Every Program And Every Session Was So Great.I Loved It. It was so motivational to me.It was very helpful and useful.Thank You All Staff Teachers.And Thank You Correspondent,Principal Madam.

Orientation programs are very useful for us .We know about the qualities of a teacher . Today's ice breaker session is very good.we enjoyed a lot.

This orientation programme is very useful for me to how to become a good teacher and to become a good teacher what are the life development skills that I have to develop.These are very much useful for me definitely I will develop my qualities to become a good and inspiring teacher

I really like all those programs. It is very useful for me. It motivate me .Before joining the college I was fear about the staff but now I am so happy because they are very kind to talk.Thanks for conducting the orientation program. Thank you

It is very useful to me. I got more ideas .It is very motivated .

It is very useful for me

It is very much useful to me and orientation program motivates me a lot .Thank you

Thank you for arranging such a program.it's very useful to

It's very useful to me...

Life development programs gave us more ideas for developing our communicative skills between a student and teacher. One main thing that I have learnt is that anything we want to tell, if it is right or wrong, come forward and be bold to express.

Useful for student teachers

Useful, very informative, motivational

Everything is well and good. Especially Orientation programs are very useful and thought provoking. Ice breaker sessions have gone super with joy and the games which have been held by Questions will be really useful for our competitive exams and all.

This orientation class is very useful for me. I enjoyed very much. I learnt many information from this orientation class. Thank you mam.

This orientation class is very useful for me. It's very motivating for me. I really enjoy the section. Thank you.

Enjoy very well and all things are very useful

All the programs useful for me and my life.
Thank you mam

Orientation program very nice and very helpful for me. Thank you

Orientation program makes me to understand what is mean by teaching. Its really helpful to me and all student teachers.

The orientation programs were very useful for us and it gave an idea about our way of communicating, hardwork,etc.

Very nice

Good

The orientation programmes gave a clear idea about the B.Ed course and the way of teaching. The instructions and ideas given in the orientation programmes helped to analyse the abilities in ourselves.

The orientation day is too good I' am motivated in this orientation program

In this ice breaker session I enjoyed the most

All Orientation day's are very motivated.

Thank you

நான் இனி கற்றுக் கொள்ள இருக்கும் ஆசிரியர் பயிற்சிக்கு மிகவும் பயனுள்ளதாக இருந்தது, மேலும் வாழ்க்கைக்கு ஊக்கம் தரக்கூடிய வகையிலும் அமைந்தது.

In the orientation program is very useful for me. I really enjoyed all sections. Everyone used to talk an good motivation and Share, How teacher became good teacher and quality teacher in future generations. It is useful for experienced teacher.

Thankyou mam

The programs conducted is very motivating and it's very useful.

All sections are useful for me.

Very usefull

The program was really very useful to us. It gives motivation. We have get some idea about teaching. Thanku for arranging this program

All orientation programmes are very good and it is very useful to us.Thankyou for arranging this programme.

Before come to the college I have no idea about the course and the college. After the orientation program I got an idea and I have some confidence about teaching. This orientation program and the ice breaker section is very useful for me and I have lot of friends. The campus was very eco friendly and the staffs are very kindly. Now itself I have some fear, but I hope that day by day my fear will be gone and this college will help for molding myself.

All are very much useful sessions.

Really the orientation programs are very useful to me. I acquired more knowledge and more confidence from these sessions.

By using TET coaching really I am going to be a great teacher. The college campus is eco friendly. Now I am feeling really blessed to be a part of CCE family. Surely one day I am going to be in a good position. Really the ice breaker session is amazing. We enjoyed all the programs held today. As well as we got more general knowledge. Thank You
