Planetarium

Planetarium

Art gallery

Visiting of art gallery

Visiting planetarium

I like the field trip very much. In the field trip I visited planetarium this was awesome. And other places also too good.

Field trips are learning make concepts more memorable.

Spended the valuable time with friends

Valli beach

In field trip the visiting places are beautiful we enjoyed lot and the art gallery and planetarium and 3D show are amazing experiences

Super

Museum

Veli Beach

Art gallery and LuLu mall

I've enjoyed and learned many things related to Art, Planetarium experience amazed me. Thank You All For This Field Trip..

Trip with friends, and it helped to know about few things.

All the arrangements are good

Art gallery and planetarium it was very interesting

Everything was neatly arranged. Especially every places have toilet facilities. we are not under any control and we are free to visit places.

Every place is very nice

Enjoy with friends. Going to aquarium is cool experience to me. Planetarium staring up different planets and larger experience in life. It is the great opportunity to my friends.

Walking with friends in neyyar dam and discussed about it.

The places visited are very interesting

Art Gallery 🎨

Planetarium

It's good , I really enjoyed.

I like planetarium so much and I enjoy everything

Visit of lulumal

I enjoyed the trip. It's really good

It helps me to develop friendly relationship with my friends and also enjoyed the place alot with my friends

Veli beach

Field trip allow me to collaborate with my friends, explore new environment and make connections.

Proper organization

Enjoyed a lot while seeing the art gallery

It gave a small relaxation ,and unforgettable memories with my friends

Planetarium,Neyyar dam

@Planetarium

Planetarium,  
Neyyar dam, Art Gallery.

Planetarium

shopping

Valley beach

Beach

Enjoyment

Art Gallery from Trivandrum

Correct planning and coordination

Lulu mall and neyyar dam

Planetarium show, Morning view of Neyyar Dam

With my friends I enjoyed a lot

Mostly I liked all the places . The places were felt like mind blowing . I love the Planetarium . Because I always loves and search about planets , stars and moon . So while I have seen visually and near to me I felt like my dream has come true .

Nahiyaar Dan

I got chance to visit beautiful places and it relaxed my mind.

Lulu Mall

3D theatre

-

Planetarium and art gallery

The places selected were very satisfied. I enjoyed a lot in all places within a short time. Teachers were very caring and give full freedom in all places. They didn't put any restrictions in any places.

Well arranged

All the places are good on field trip

We enjoyed lot with my friends

3D

Explored new places

I enjoyed a lot with my friends.

I liked the visit to Planetarium

All good.

3d show

Visiting art gallery

Art Gallery, Planitorium

planitorium, art gallery

Art gallery and musium

I like all of them

Planitorium

Art gallery

All good

we get relaxation during the trip

The field trip provided relaxation out of studies

Good

Everything

Priyadarshini Planetarium which was more informative

I liked the 3D show and planetarium

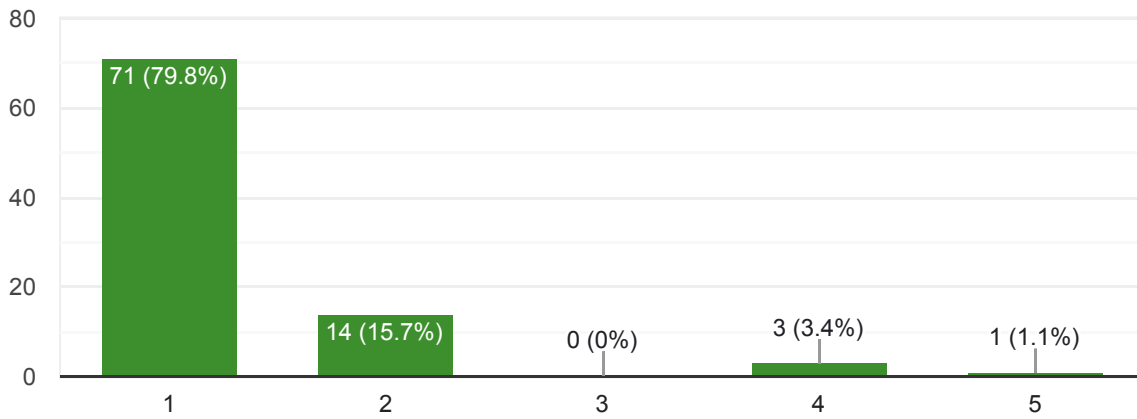

Aquarium visit

Everything is ok for me

No comments

Conduct the field trip for each semester. This Will helps to outside learning and feel free from stress.

Planned everything well and executed well

Field trip is very informative, interesting and useful.

Overall i liked the field trip.

The damage seats are in the bus otherwise the trip was good

Super

Everything Is Great.Enjoyed.Learned

No suggestions.

No comments.... Thank you

It is very useful for us and we enjoyed lot thank you for giving this wonderful day

Our field trip is very wonderful.

Have to always keep water cans while conducting trip like this.

I enjoyed the trip very well .its a good experience for the students teachers in their curriculum

Good

The field trip is very useful for me

Plan everything in advance it was very good

It was a very good experience

Nil

Nice Field trip. Thank you

satisfied

It is very useful and very nice experience

conducting outdoor programmes frequently can help us to feel refreshed

Really, the field trip was very useful to me. The art gallery was amazing. It was filled with lots of collections . Each place that I had visited gave me a lot of informations about various things. I enjoyed a lot and I also learned a lot.

Trip was good and there is no suggestions to improve.

It's nice

I had a better experience and everything is fine

I enjoyed and this trip was fulfilled

Everything was better . I got much fun and I felt much energetic .

I enjoyed this field trip. No suggestions.

I like the field trip.....

It is more useful and it helps get more ideas

The trip was very comfortable and satisfied. The places selected was very satisfied.

Activity

I like the overall arrangements of the field trip

Field trip was very nice.

I have enjoyed alot.

Field trip was very nice. I have enjoyed a lot.

We enjoyed trip very much

2022-2024

We enjoyed a lot in field trip

It is best experience

D

We were too exhausted by visiting various places

It is useful

if you arrange the field trip often it will be helpful for tension free learning

All the things were fine

I was satisfied about the field trip.

Select a few places and give students more time to spend there.
